

TOWEL RAILS RADIATORS

GABARRÓN range of electric towel rails and towel warmers has been designed to be the ideal way to add a touch of luxury and sophistication to bathrooms.

Its great versatility makes it the perfect solution as it not only heats the room, but also reduces moisture and mildew using little space.

GABARRÓN electric towel rails are ideal to dry or warm up delicate garments or even to keep your towels warm, meaning you can enjoy the luxury of warm towels after a soothing bath or relaxing shower.

Design and functionality come together to provide warmth, comfort and convenience. They are a top quality and ideal solution offering the best features.

Our range of electric towel rails is available in three sizes, with different power capacities, and in different finishes making them suitable for almost any size and style of bathroom.

They are equipped with a high sensitivity electronic controller, which allows you to maintain a stable heat, guaranteeing warmth and low running costs. They also have a pilot wiring central controller option.

No type of maintenance is needed and they are extremely easy to install.

They are the perfect addition to your central heating system.

They are 100% energy efficient.

“Enjoy the luxury of a special sensation after a relaxing bath”
